

Britannica® IMAGEQUEST™

**Access millions of images from more than 50
of the world's best and most respected image
libraries – all from one safe site**

Save time and money

ImageQuest™ provides a unique collection from trustworthy sources. With images of every topic in one convenient cost-effective site, student and faculty don't have to spend time combing through multiple Web sites looking for images or worry about copyright infringement.

Be confident in the images used

Each photo or illustration comes with complete metadata, including the source, the copyright holder, caption and keywords. Because Britannica has done the work of finding the best photos — most of which are not freely available on the Web — you can trust the source.

Fast, easy to use and uniquely designed to meet the needs of the education community

Easily access the world's best images selected for their educational relevance

New and improved design is more visual, more intuitive and more flexible

NOW BETTER THAN EVER!

The world's best collections at one convenient site Fast, safe, easy to use for all ages

Collections include the Bridgeman Art Library, Dorling Kindersley Images, Getty Images, National Geographic Society, Nature Picture Library, Science Photo Library and other leading names. All have joined with Britannica® to provide the best and broadest collection of proprietary educational imagery.
